#### Tisbury History Society and Data Protection

The EU [General Data Protection Regulation 2016](#) (GDPR) came into force on 25 May 2018. This regulation governs the way everyone in the European Union looks after information relating to identifiable living individuals (which is classed as 'personal data' under the regulation), and tries to ensure that information is handled with care and respect for the privacy of the individuals it concerns. This is to let you know what sorts of personal data the Tisbury History Society holds, and why, and what we do with your data. Our Secretary keeps an Excel spreadsheet of Members names, addresses, emails and telephone numbers where possible. If you leave the society your record is removed. Our Treasurer keeps a record of your name and annual payment. Neither of the above records is shared with any 3<sup>rd</sup> parties.
